

Girls on the Run Grand Haven High School Course

The Grand Haven Course begins on the High school track; we will progress down the two track in front of the high school to the bike path. We will then head west on Ferris on the bike path. We will go right onto Greenleaf Lane, follow it onto Redbird Rd, then onto Finch Rd, then turning left onto Finch and right onto Fox Ridge. Then turning left back onto Ferris St, returning behind the school and entering the track after running on the east side of the soccer stadium. Because of distance, we will add a lap on the track at the finish. The Finish line will be the actual finish line on the home straight away.
